classic

STANDARD PIVOT

The fully framed standard shower system is the traditional, easy to clean, low maintenance option. Although traditional, it has a modern profile with an assortment of colours to choose from. The Danmac fully framed standard shower screen can be custom designed to suit your individual requirements.

Specifications

- Easy to clean, low maintenance design
- Twin lock adjustable pivot system
- Modern profile
- Minimal door clearance to reduce water splash
- Full length captive magnet
- Custom designed to suit your requirements
- Panels are available and can be added to either side of the door to cater for towel rails, vanities, toilet, etc.
- Available in Bright Silver, Matt Natural, Pearl White, Black, Barley and White Birch

Exploded view of Fully Framed Pivot

Custom made to order fully framed, semi-frameless and frameless shower screen kits available, discuss further with your Area Manager.

affinity

FULL OPENING PIVOT

The Affinity fully framed system is patented and manufactured from the highest quality brass, stainless steel pin and nylon insert. The Affinity full opening pivot inserts into the back edge of the door, ensuring a full opening door for all shower screen applications.

Affinity 18 Fully Framed Shower

Specifications

- Patent design no. 146773
- Ideal for tight shower screen openings
- With or without sill
- Wheelchair accessibility
- Larger door opening up to 1000mm wide
- Magnetic closure
- Available in Bright Silver, Matt Natural, Pearl White, Black, Barley and White Birch

With sill

Sill-less
