### **FH2-90**

Dual action opening 90° in both directions.  
 Standard specifications for 8mm and 10mm glass  
 but can be adapted to suit 6mm or 12mm glass on request.

FH2-90 Glass to glass hinge to mount a door to a fixed glass side panel that runs on a 90 degree angle. The hinge is secured to the panel with two holes in the glass instead of a cut-out. This results in simpler and cheaper glass preparation . Additional advantages are better holding capabilities, and a cost effective hinge.

Standard Finishes: Chrome; Satin Chrome; Gold.
